Dear Friends and Supporters of Trinity Preschool:

Thanks to your generous contributions in the past, Trinity Preschool's Silent Auction has been a great success. Trinity is a non-profit, private preschool that has served the community for 50 years. We are dedicated to providing a creative and diverse learning experience for young children. Some of the proceeds from our auction bolster our *Families Helping Families* program, which provides assistance to local families in need. The balance of funds raised directly benefits our school facilities and equipment.

This year, our annual Silent Auction will take place on Friday, April 1, 2016 at the Hilltop House in Devon. Our auction is our signature event of the year. We have a very active parent community, and most parents, faculty and friends of the school attend in enthusiastic support.

With the help of donations from generous vendors in our community like you, we are guaranteed to have another successful year. We respectfully ask that you consider donating a product or a service for Silent Auction. We appreciate how many solicitations you continuously receive and are truly grateful for anything you can offer. Your donation is tax deductible, our tax ID number is 23-2228017.

If you have further questions, please contact us at 516.242.9632. We greatly appreciate your support.

Best Regards,

Kara McMahon and Stephanie Tanner
